**NATURE'S
MINERAL BEAUTY**
Australian Made

Enhance by Natural Compatibles, Australia's high quality mineral-enriched make-up system proudly celebrates over 17 years of beauty through **Feature Focussing™** for Australian women of all ages.

Choice Collection

Enhance by Natural Compatibles continues to deliver timeless make-up enhancement solutions to thousands of Australian women, equipping them with the secrets professional makeup artists have used for years, to look and feel gorgeous every day.

The simple no guess work formula for colour selection and step-by-step application process – **Feature Focussing™** – for 'warm' and 'cool' skin tones, has stood the test of time for nearly two decades.

"Our make-up philosophy is based on the traditional principles of art used by portrait artists throughout the ages. Each colour in the collection has been specially created to give a radiant appearance to the skin and enhance the natural features of your face" says founder, Denise Richardson.

Caring for Australian women's beauty needs for over 17 years

Enhance
BY
NATURAL COMPATIBLES

Feature Focussing™

Combined with a simple to follow application process called **Feature Focussing™** that delivers perfect balance and symmetry, Enhance by Natural Compatibles makes the minefield of make-up choice easy. The **Feature Focussing™** technique shows you how to highlight the main communicating features of the face – the eyes and the lips – to create a variety of contemporary stylish looks.

We also think it's important that you know what you're putting on your skin, so we encourage you to go to our website at www.naturalcompatibles.com.au and learn about each product in depth.

For a quick guide to help you ascertain whether you are 'warm' or 'cool', select your preference in either of the following clothing colour groups.

WARM	COOL
Cream	White
Rust	Pink
Peach	Grey
Apricot	Black
Khaki	Burgundy
Olive	Teak Green
Maroon	Sage
Brown	Mauve
Orange	Taupe

Enhance by Natural Compatibles is a proud supporter of the Australian Beauty industry.

FLAWLESS FINISH

Wet & Dry Foundation

NC Wet & Dry Foundation combines the best of science and beauty for perfect even coverage on every skin. It is renowned for its creamy and smooth touch and is a must for anyone who is serious about flawless skin.

NC Wet & Dry Foundation will optically minimise fine lines and wrinkles to enhance your natural beauty. This fantastic product protects the skin against moisture loss and is enriched with minerals and emollients. It contains the most natural sun block ingredients available – titanium and zinc oxide. Suitable for all skin types, especially oily to normal skins.

NC Wet & Dry Foundation can be applied wet or dry depending on the coverage required. The smooth natural finish will last all day in even the most humid climates. Packaged in a convenient and elegant purse sized reusable compact. Refills available.

Liquid Foundation

NC Liquid Foundation is a water-based foundation formulated to hydrate and give a sheer, flawless and light covering to protect your skin, leaving a dewy look. Contains evening primrose, sweet almond & avocado oil. The result is a soft, even skin tone ready for application of colour.

Loose Powder

NC Loose Powder is a micronised fine powder applied over Liquid Foundation or Basestick. Use to set Liquid Foundation and create a natural-looking matte finish. Use over Basestick for a flawless eye shadow application. It is also ideal for oily skin to prevent shine and to hide imperfections.

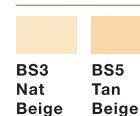

Anti Red

NC Anti Red conceals skin redness, sun spots, spider veins or stretch marks leaving your complexion looking flawless. Based on the principles of art, when you mix the yellow ochre of Anti Red with any red skin imperfections you will achieve a peachy result, bringing back the skin's natural flesh tone for a natural-looking finish.

Basestick

NC Basestick is a light foundation for the eyelids, which acts as a protective base under eye shadow, eliminating creasing and blotching. Eye shadows will look fresh and natural for 8 hours or more. Basestick can also be used to cover any blemishes.

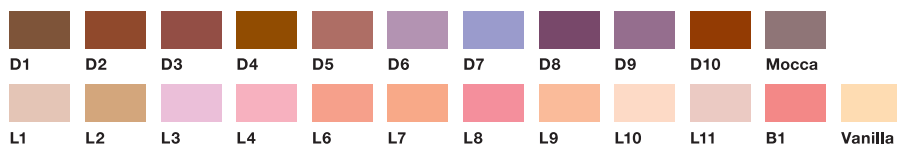

EXCEPTIONAL EYES

Eye Shadows

NC Eye Shadows are silky smooth and matte, and have been designed to enhance and compliment your eye shape and iris colour, by using the **Feature Focussing™** technique of light and deep shades.

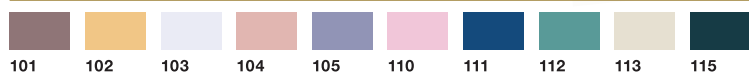

NC Eye Shadows are multi-purpose and can be used on the brows, as eye shadow, lifter shadow, blush and using wet as your upper or lower eyeliner.

NC uses individual packaging of shadows so you can create your own **Feature Focussing™** palette. Mini compact (4 shadows) large compact (10 shadows).

Applishade

NC Applishade adds glimmer to eyes as they glide on to upper and lower lids with ease. Perfect for when day turns to dusk, the shimmering After Dark colours take class to new heights. NC Applishade's unique spring-loaded action ensures the applicator is always colour ready. Perfect as a soft eyeliner, or to contour or highlight your eyelids. Add a dash to cheeks, brows and the pout of your lips for glistening glamour. Refills available.

Mascara

Lengthen and thicken your lashes with Natural Compatibles NC Fast-Lash Mascara, specially formulated to define and Feature Focus™ the eyes by amplifying the lashes. The unique brush shape is ideal for reaching the lash roots and the shorter handle makes for steadier application.

Colour swatches may vary from actual product colour.

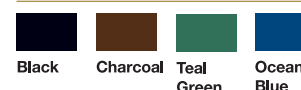

Eye Pencils

It's the finer details of make-up application that create a strong, stand-out look. NC Eye Pencils create seductive, smoldering eyes, adding definition and a splash of colour to your look with long lasting staying power. Inspired by precious gemstones, each colour has been specially designed to bring out the best in your eyes.

Liquid Eyeliner Pen

NC Liquid Eyeliner Pen for precise application, defines the eyes in an effortless application and creates focus on the eyes. Quick-dry formula enriched with ingredients ensures that the deep colour lasts all day, intensifying the iris colour and whitening the whites of the eyes.

Shadow Liners

NC Shadow Liners with long-lasting staying power, designed to be used wet, are applied with the NC Liner Brush.

BLUSHING BEAUTY

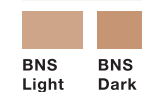

Blush

NC Blush in 4 shades adds natural-looking colour, glow and definition of cheekbones to the face. An essential accessory for the face.

Bronze-n-shimmer

NC Bronze-n-shimmer with the finest particles of gold, pearl and super bronze and can be applied individually or together, to illuminate the cheeks, eye area, or sweep over the entire body for a healthy luminous, sunless glow.

LUSCIOUS LIPS

Lip Pencil

NC Lip Pencil, the ultimate lip definer with palm kernel glycerides and coconut oil to prevent bleeding, delivers a semi-matte definition to your natural lip shape. Use to maintain or restore a natural youthful lip line. Complete your lip enhancement with one of our luscious moisturising Lipsticks.

Lip Gloss

NC Lip Gloss is a vitamin-enriched long-lasting high density gloss to create luscious, sensual lips. Contains a UV light absorber which acts as a protective ingredient against damaging UV rays. Formulated with natural apricot oil, a skin softening agent to nourish and moisten lips without being greasy. Infused with Vitamin E for extra lip care. Fragrance-free for sensitive skin. Glides on effortlessly from the petite pocket sized tube. Perfect for any pout.

Lipseal

NC unique Lipseal enriched with Vitamin E locks in lip colour for hours and hours. Prevents lipstick from smudging, fading or bleeding, ensuring a long-lasting flawless finish. Great for shine and maintaining hydration.

Lipstick – Elite, Concept and Natural

NC Elite, Concept and Natural range Lipsticks provide you with silky smooth lips and long-lasting colour in unique shades of plums, roses, nudes, soft peaches, fuchsia and more.

Elite Lipstick

Concept Lipstick

NC Lipsticks help to maintain and restore youthful, feminine lips and detract from lines and ageing around the mouth area while creating an illusion of whiter teeth and an even skin tone. The result – beautifully sculptured lips that will last all day and night with moisturising agents of essential lavender oil, Vitamin E and SPF 7+.

Elite Lipstick

Intense in colour, texture and formulation, NC Elite Lipstick, the prestige lip colour is formulated with Vitamin E and conditioners, for a creamy, moist look. This luxurious lip colour glides on and stays, leaving lips feeling sensual and hydrated. Presented in exquisite black and champagne packaging.

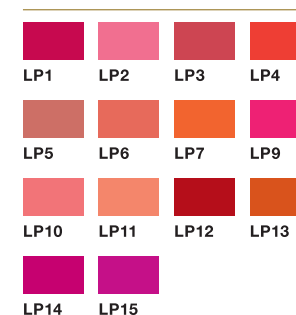

Natural Lipstick

Inspired by nature's colours, the NC Natural Lipsticks and Lip Pencils mirror nature's earthy shades. Enhanced with the fresh scent of lavender for long-lasting hold, lips feel soft and moisturised.

Concept Lipstick

PRECISION TOOLS

For best application results take your Tools of the Trade seriously to achieve the perfect outcome with **NC Feature Focussing™** specially crafted quality brush and sponge applicators, to deliver precision results.

04 & 91 NC Eyeliner Brushes

This super fine sable brush is designed for the application of **NC Shadow Liner**. Gentle on the eye area and easier to achieve a fine or as thick a line as you desire. (04 fits large compact, 91 fits mini compact)

07 NC Lip Brush

NC sable Lip Brush gives precision application of **NC Lipstick** for a professional-looking finish. The gold casing protects the hair from dust and damage. Load the brush with Lipstick and use as a touch up throughout the day.

16 NC Blush Brush

NC Blush Brush with tapered edge ensures perfect application of a natural looking contour. A must-have brush.

18 NC Powder Brush

Apply **NC Loose Powder** with a damp, latex-free sponge and dust off excess powder with **NC Powder Brush** without disturbing makeup.

22 & 23 NC Light Eye Shadow Brushes

For accurate colour application and blending of **NC Eye Shadow**, with fine sable bristles. (22 fits mini compact, 23 fits large compact).

24 NC Deep Shadow Brush

With a bigger sable head size, **NC Deep Shadow Brush** is ideal for recreating a contour line to the socket area.

25 NC Lifter Shadow Brush

NC Lifter Shadow Brush soft bristles allow for light application of Eye Shadow colour.

99 NC Stiff Angled Brow

For perfect eyebrow shadow application use the **NC Stiff Angled Brow Brush**, for a natural look.

TOOLS OF THE TRADE

Shadow Compacts

NC unique customised compact system enables you to select your own individual colours and keep them all in one compact. The **NC Large Compact** will carry a combination of Eye Shadows, Eyeliners, Blushes and mirror with space to include your brushes as well.

NC Mini Compact, with mirror and space for 4 colours is designed to fit perfectly into a pocket or your evening bag, with space to include your brushes as well.

NC environmentally friendly Compacts allow you to interchange and refill your colours whilst using the one compact.

The Art of Beauty Application Booklet & DVD

NC Art of Beauty Application Booklet & DVD have been developed through years of careful research and experimentation to perfect the colours and techniques used in **Feature Focussing™**.

The end result is an absolutely reliable makeup system that empowers you with the secrets professional makeup artists have used for years. Anyone can learn them. You can look as good as you want!

Natural Compatibles has an easy to follow DVD and information booklet that will teach you how to use **Feature Focussing™** to highlight your best facial features.

Cosmetic Sharpener

NC no mess Cosmetic Sharpener with its precision blade produces perfect points for eye and lip detailing without splitting the pencil. Comes with cover lid and cleaning pin.

Latex-Free Sponges – Wedges

NC unique high quality Latex-Free Sponges, when moist, swell to nearly double their original size and change to a softer texture - ideal for makeup application and blending. Easy to clean in warm soapy water. No irritation on the skin.
